Proceedings of the Madras Government, Public Works Department,
6th March 1871.

No. 143. Read the following letter from the Superintending Engineer in temporary charge of 8th Division, to the Secretary to Government, Public Works Department, dated Palamcottah, 21st February 1871, No. 2,996:—

Mr. Colquhoun being now in custody on a charge of embezzling public money to a very large extent, I have the honour to request that the allowance of 200 Rupees per mensem, specially granted to him in G. O., No. 96, dated 13th January 1871, may be discontinued.

2. Further it appears questionable whether the regular* allowance of 100 Rupees, which would be paid to a Sub-Engineer under suspension in ordinary cases can properly be allowed in this case.

* One-fourth of salary.

No. 144. Order thereon, 6th March 1871, No. 663.

ESTABLISHMENT, No. 16.

The Superintending Engineer of the 8th Division will be informed that the Government are not disposed to direct the discontinuance of the monthly allowance of Rupees 200 sanctioned to be disbursed to Mr. Colquhoun pending the result of the trial of that subordinate before the Sessions Court.
